6) 10-gallon gas tank (qty 2-for generator)	\$20.00
	<u><u>\$1478.78</u></u>

Justification

The Hermon Emergency Preparedness Committee, working under the umbrella of the Hermon Safety Committee, has been developing an Emergency Preparedness Plan for our community's specific needs (see next page for an outline). This plan includes provisions for emergency planning, emergency response, and training.

We are now preparing to move from the planning stage to implementation stage and respectfully request the supplies above for the first phase of implementation. These supplies were selected after soliciting advice from the LA Fire Dept, Govt & Private EMTs, city CERT & PERT officials, and local community leaders.

All supplies will be stored at the Hermon Community Church, with the plan to use these supplies in the community meeting area (LAICHS lower lawn). The Hermon Safety Committee will ensure that the supplies are properly maintained, including ensuring the 5-year shelf life for our water does not expire.

This is the first phase of our plan – expect to receive additional updates and requests as our implementation plan matures.

Sincerely

Mark Legassie

Chairman

Hermon Emergency Preparedness Committee

Hermon Preparedness Plan (HPP) Outline

prepared by the
Hermon Emergency Preparedness Committee
September 2007

The following is an outline of the Hermon Preparedness Plan (HPP), broken down by chapters. This plan was developed using several sources, including the American Red Cross, Dept of Homeland Security, CA Office of Emergency Services (OES), City of Los Angeles Emergency Preparedness Department, and www.3steps.org. This plan will be available online in early 2008 via www.hermon.org as well as distributed door-to-door by our neighborhood captains. We are also working closely with the ASNC to integrate our plan with ASNC's comprehensive emergency preparedness efforts.

1) Maps & Lists

A neighborhood map showing by street your neighborhood captain(s) and contact info. This section will also contain a walkie-talkie list (for captains), as well as a list of residents with emergency skills and resources. Of note, one neighborhood captain will be assigned to approximately 20 homes. If you would like to be a captain, please contact Mark at 323.823.3046.

2) Neighborhood Emergency Plan

Before: Emergency Training Class Info for residents & captains (eg. CERT, CERT-LITE)

After: Search & Rescue Plan to account for residents, Meeting/Staging Area Info, Triage & Medical, Fire Suppression, Neighborhood Captain Report Forms

3) "What to do if..."

- a) Earthquake*
- b) Biological Attack*
- c) Chemical Attack*
- d) Fire*
- e) Nuclear Attack*
- f) Evacuations*
- g) Short-term in-place sheltering*
- h) Long-term in-place sheltering*
- i) Decontamination*
- j) How to Turn Off Utilities*

4) Water Purification & Sanitations

Each person needs 1 gallon water per day (x 7 days). This section contains water purification & sanitation instructions, how to make water barrels, and collecting water.

5) First Aid & Medical Supplies

Layman's Disaster First Aid & Search & Rescue instructions, List of medical supplies at Staging Area, and recommended resident supplies (including a 2 wk supply of prescription drugs)

6) Communications

Communications System & Protocol, Walkie-Talkers & Radio Channels, Ham-Radio Operation & Sharing by ASNC Communities, Annual Communication Drills

7) Food Storage & 72-hr kits

Basic Food storage list, 72-hr kit list (individual and family), Rotating inventory schedule for neighborhood rations
