Dear Mark:

I would like to thank the ASNC for the wonderful support given to us in the form of a Neighborhood Purpose Grant. As you know, the Avenue 50 Studio is a non-profit arts presentation organization supporting our NELA community. We believe the presentation of the arts to our community is a form education and a source of inspiration.

We spoke briefly about fundraisers. Our gallery is always open to community events, and if the ASNC would ever need a space to hold an event, please feel free to make that request.

Thank you again for your support.

Warmest regards,

Kathy Gallegos, Director
