

**150-WORD STATEMENTS:  
CANDIDATES FOR ASNC BOARD VACANCIES – June 2010**

Candidates to fill the ASNC Monterey Hills Geographical Rep vacancy (*ONE seat*):

**DARIUS ADLE**

I have lived in Monterey Hills for 7 and a half years and have been active since day one in affairs relating to the quality of life of our Eastside community. I have been on the board of the Monterey Hills Federation for 5 years, including 4 years as President or Chair person. The MHF acts as a liaison between the ASNC, the CRA, Post Patrol, the local police and fire departments, the Council member in District 14 and 15 condo communities on the hill with about 5,000 residents. We organize events from clean up crews, to the Monterey Hills Jazz Festival. We also strive to prevent crime and graffiti on the hill. We fought over development on the hill for many years (preventing a 7/11 from opening where Budd Wiener Park now stands) and also thanks to the support of Councilmember Huizar securing Elephant Hill as a passive park.

**DAVID LYTTLE**

I was born and raised in Los Angeles and after receiving my Masters degree from Harvard University in 1977, returned to Los Angeles to raise my family and work. My wife Felicia and I have been blessed with 5 children and 8 grandchildren. I have been a Monterey Hills resident and property owner since 2002 and have served on the Board of Directors of the Linden Heights Homeowner's Association since September 2009. For the last 14 years I have been employed by a Wholesale Distribution Company located in Vernon and currently serve as their Director of Marketing. I look forward to serving the Monterey Hills community with a view of bringing greater awareness of and increased stakeholder participation in the ASNC.

Candidates to fill ASNC Mount Washington Geographical Rep vacancies (*TWO seats*):

**JACK FONG**

My name is Jack Fong. My family and I have been residents of Mount Washington for almost 20 years. Having previously served on the Board of the Mount Washington Preschool and Childcare Center while my children were growing up, I would now like to be a Representative of Mount Washington to become more involved in the community and help facilitate the ASNC Bylaws' "Purpose" to "provide... engage... promote... work... advocate... inform and educate..." As an Architect (and Planner), I've work collaboratively with multi-disciplinary teams to achieve productive results while being an active advocate of the critical issues. In like manner, I hope to be able to work and serve the collective community as a collaborating member of the ASNC. Simply put – I'm willing to serve!

**PAT WINTERS**

I moved to "the hill" in 1980. I helped form the original Mount Washington Babysitting Coop and Mount Washington Childcare and Preschool in the late '80's, and was active in the Friends of Mount Washington. The intervening years were consumed with building a house here, my career and raising my children. I am now in a position where I believe that I can give back to the community that has been my home for so long. I am a retired attorney and am now designing jewelry and accessories.
