

Minutes of the August 28, 2014 Meeting of the ASNC Transportation Committee

Montecito Heights Senior Center – 4545 Homer Street

Number of Attendees: 7

Board members present: Harv Woien, Valerie Harragin, Martha Benedict

Meeting called to order at 7:10 pm.

Agenda items discussed:

1. Status of Reconfiguration of North Figueroa – Unsubstantiated information is extant regarding alternate bike lanes on Monte Vista and/or Marmion Way by Cedillo's staff, not LADOT. Harv Woien to contact Cedillo's staff to confirm or deny this info. Item stays in committee. Committee to consider advising against alternative plan.
2. Extension of sharrows on Griffin Avenue to Avenue 52 and Griffin to Figueroa: Resurfacing of street covered over existing sharrows. Item stays in committee.
3. Proposed extension of Arroyo Bikeway through Heritage Square to Gold Line station – pending acquisition of right-of-way by LA County Public Works. Scott Cher working on this issue as part of Arroyo restoration project. He will investigate further.
4. Extension of Arroyo Seco bikeway to South Pasadena: Javier Hernandez not present. Item to be re-agendized.
5. Installation of traffic signal at Avenue 43 and Griffin Avenue. Ramona Garcia not available for presentation. Intersection already has crossing guard during school hours. Signal might present problems for uphill traffic backing up and stopping on steep hill. No action taken by committee.
6. Funding of \$1000 grant for LACBC to do Operation Firefly: Grant application received from LACBC, issue discussed at Safety, Outreach, and Finance committee meetings, all voted to support. Issue will be up for vote by Board on September 22, 2014. Colin Bogart of LACBC to present.

Meeting adjourned 8:35pm. Next meeting September 25, 2014.
