Meeting Minutes

1. CALL TO ORDER

Meeting called to order by Jason Berlin at 7:30

2. ROLL CALL

Quorum - Jason Berlin, Rider Strong, Ted Cannon, Lynda Valencia (ASNC President)

3. Minute approved

Unanimously

4. General Public Comment

None

5. Bill Cody - a representative from Gil Cedillo's Office

Clean-ups were held last week in Highland Park. Cedillo's office gave away some trees.

Friends of Mt Washington Elementary fundraiser to be held on 5/3.

Edna (?) is new NE rep from the Mayor's office, she plans to attend future meetings

6. Appointment of Committee Members

Jason Berlin appointed as Committee Chair

Sean Singletary appointed as Co-Chair

Ted Cannon, Rider Strong, and Nicholas Manalo appointed as Committee Members.

8. LAPD Update

Officer Allen — covers NE face of Mt Washington and lower Highland Park. Mt Washington is affected primarily by property crime. Allen suggest not leaving anything in plain sight in your car. Most crimes occur at night. Talk to your neighbors, get to know them. Get an alarm system, a loud one, not a silent one. SW Museum had some encampments that have been cleared.

Be aware that it is against the law for police to remove people from the sidewalk between 9pm and 6am.

Officer John Cook — Gang Impact Unit, focuses on Narcotics and Vice. He is aware of young people parking to drink/smoke in Mt Washington, but no violent crime, that occurs in other areas. Graffiti is a nuisance, use 311 app to report it, and take a photo and send it to Officer cook.

His contact information: 213-321-9214

Security cameras help, having footage of graffiti vandals allows them to pursue felony charges.

Officer Reyes — There has been an uptick in stolen cars recently

7. CLELAND PARK

Joey Armario — there is a phone call tomorrow with the city to discuss the “sports equipment lending library” with Albert Torres. Baseball bats may be an issue.

Request for an additional banner welcoming people to the park, which would cost \$75, and be on hand in the event of graffiti.

Motion to bring this to ASNC Outreach Committee: a request for \$75 to print another banner, adding the ASNC Logo.

Motion passed Unanimously.

9. Pothole Repair

No update

10. Historic Marmion Mile Updates

Sean Singletary — a group of stakeholders submitted an application to the Great Streets LA competition to receive a grant to redesign Marmion Way. They made sample budgets, had Cal Poly students do renderings, and received support from other stakeholders and local representatives.

11. MEETING ADJOURNED
