

# Northeast CERT/ACS Communications Drill!!

September 11, 2010

Where will you be when  
the next **Disaster** strikes?  
What will be the next **Disaster**?

## ARE YOU PREPARED?

Northeast CERT (Battalions 2 & 7) in cooperation with the LA Fire Department's Auxiliary Communication Service (ACS) are offering a **FREE** "Search and Report" tactical drill in Hermon Park! Using both FRS and amateur radio communications, this drill will utilize the new LAFD Auxiliary Communications Service (ACS)-CERT Communications Plan. CERT volunteers will be deployed from the command post at Hermon Park to mock local search and rescue locations and asked to use FRS radios to transmit life-saving data. Drill participants will learn proper radio protocol as well as an overview of the ACS-CERT Communications Plan. CERT operations will be transmitted to ACS operators at local fire station and battalion headquarters per the ACS-CERT Comm Plan.

## FREE LAFD CERT Communications Drill

### Sat, Sep 11, 2010

### 8:45am-12noon

### Hermon Park in the Arroyo Seco

5568 Via Marisol, Los Angeles 90042
