

**SILVER LAKE AND ARROYO SECO NEIGHBORHOOD COUNCILS
COMMUNITY EMERGENCY RESPONSE TEAMS
ANNOUNCE A TABLE-TOP TRAINING SESSION**

**“Using Hand Held (FRS) Two Way
Radios for Disaster Communications”**

“Hands on” class room and “interactive” instruction explaining all the knobs, buttons, menus, etc. on your FRS radio. Learn how to make yourself clearly understood and pass emergency messages accurately over long distances. Then adjourn to the parking lot and practice passing mock property damage & injury information via radio transmissions.

Prepare yourself for a neighborhood wide emergency communications CERT drill, to be held on April 24th. Meet the amateur (ham) radio operators who are helping us with our CERT communications and learn about the new LA Fire Dept. Auxiliary Communications Service (hams)-CERT Disaster Communications plan.

SATURDAY, FEBRUARY 27, 2010

9:00 – 11:00 AM

**BELLEVUE PARK RECREATION CENTER
AUDITORIUM**

826 LUCILE AVE.

LOS ANGELES, CA 90026
