Dear Arroyo Seco Neighborhood Council,

Thank you for considering the Audubon Centre at Debs Park as a potential recipient of the Neighborhood Purpose Grant. We are requesting \$1,989.41 to help cover the cost of a free community event, Family Movie Nights during the Summer of 2022. These funds will allow us to be able to offer more community programs in future years.

Family Movie Nights offers educational activities and a movie themed around protecting our natural world. This event is for everyone, avid environmentalist or curious community members. Some of the educational activities include plant pressing and bird walks.

Audubon at Debs Park's mission is to inspire people to experience, understand and care for the natural world around them. Our Family Movie Nights is an opportunity for us to reach out to our local community members and re-engage them with the natural world through activities and movies. Funds provided by the Neighborhood Purpose Grants would go directly towards equipment and supplies for this public event and ensure that our community has the opportunity to partake in our activities.

Thank you for your time,

Marcos A. Trinidad  
Center Director
